

Warranty

The Geyser-R, supplied by Nyle Systems LLC and delivered new in the original packaging is warranted by Nyle Systems as follows:

One (1) year warranty on workmanship and materials.

Six (6) year limited warranty on the sealed refrigeration system only.

This limited warranty begins on the original date of purchase or 180 days from the date the unit was manufactured, whichever comes first. This warranty is only valid on Geyser-R units purchased and installed in the United States and Canada. To receive this warranty Nyle must be contacted for determination of problems and service procedures. Original bill of sale must be presented as proof of purchase upon request. Within the warranty period, replacement parts will be shipped to the service company for replacement. Upon replacement the service company is responsible to return the defective part to Nyle Systems at, 12 Stevens Rd, Brewer, Maine. 04412.

Optionally, the entire Geyser-R may be returned, in the original box with protective packaging at the customer's expense for Nyle Systems to repair. Repair work will be done at Nyle Systems at no charge providing the repair was determined to be required because of defective workmanship or materials. The replacement part(s) assume the unused portion of the warranty. The warranty does not include labor, or costs incurred for diagnosis, labor for repair, removal, or installing of replacement parts. Shipping cost of replacement parts to and from Nyle Systems is not included.

The limited warranty covers manufacturing defects in materials and workmanship encountered in normal use of this product as it is intended as a water heater, and shall not apply to the following, including but not limited to: consumable items such as filters, damage that occurs in shipping, delivery, or installation. Also applications and uses for which the Geyser-R is not intended, altered units or parts, cosmetic damage, damage from abuse, neglect, fire, water, acts of nature, external plumbing, or leaks, external wiring, utilities, parts, services, accessories, and failure to follow installation and operation instructions.

Nyle Systems makes no warranty as to the fitness of the equipment for a particular use and shall not be liable for any direct, indirect, or consequential damages in conjunction with this contract/and or the use of the equipment.

Buyer agrees to indemnify and save harmless Nyle Systems from any claim or demands against Nyle Systems for injuries or damages to third parties resulting from buyer's installation, use or ownership of the equipment.
